SUBJECT : SNB Journalists as MVD Agents

1. The following Germans employed by SNB have been identified by subsourse as MVD agents:

- a. *ced* BOHM, Karl-Helz, Editor. Berlin N 113, Schoenhauser Allee 115 (Russian Sector).
- b. BLEIL, Rudolf, Press Correspondent. Berlin/Weissen-see, Lichtenbergerstrasse 10 (Russian Sector).
- c. *ced* BREUER, Kurt, Press Correspondent. Berlin/Zehlendorf, Hochsitz Weg 65 (US Sector).
- d. *ced* KLEIN, Guntner, Press Correspondent. Berlin/Weissensee (Russian Sector).

Field Comment: The above names are all listed in reference report, MGB-3508 (BSC-755).

2. Of the four, BOHM was recently involved in some difficulties at SNB and has been dismissed from that organization. He was known as an "informant" working the American Sector of Berlin.

3. BREUER's work for the MVD is said to be chiefly in reporting on secret meetings of the political parties in Berlin. In this connection, source assumes he has also taken part in arrests.

4. In a recent PREGNANT request for information on German reportorial activities in Russia during the war, source suggested that BREUER, who had been a German war correspondent in Russia, could supply the best answer. Source was immediately told not to have any contact with BREUER, in a manner suggesting to source that BREUER was one of PREGNANT's agents.

ced Field Comment: Subsource is a teletypist at SNB; a friend of source; and considered reliable by him.
